

# Pretendians Band

**“Their music, like their name, is pointed and witty: unabashed, blunt...this band is on its way to making its mark and making a difference.” – Say Magazine, Issue 122**

**Pretendians Band** is a Native American rock band that calls Minneapolis/St. Paul, Minnesota home. The group has made a name for themselves by infusing their music with a modern indigenous perspective, crafting a dynamic and energy-fueled brand of conscious rock music.

With a rapidly growing fan base and a reputation for live performances, Pretendians Band is poised to make a significant impact on the world of rock music and beyond. The band's music is a testament to the resilience, creativity, and power of indigenous people, and a reminder that the spirit of rock and roll has zero boundaries.
