

Pretendians Band – Tech Rider & Stage Plot

The band supplies their own musical instruments and requires the venue to provide sound and lighting equipment, soft goods, crew, adequate stage with power, and green room.

BAND PRESENTATION

Music Style: Rock, Metal, Punk

Pretendians plays dynamic, rock fueled music from a modern Indigenous perspective.

Members:

- Thomas Draskovic – Rhythm Guitar/Lead Vocals
- Christine Bartyzal – Drums/Lead Guitar/Backup Vocals
- Guest Drummer – Drums
- Jilleo Candyhands – Bass Guitar

Band Website: <https://www.pretendiansband.com>

Bandcamp: <https://pretendians.bandcamp.com>

SOUND AND LIGHTING

The band requires the venue to provide a full-service sound technician, board and lighting operator, including supplying mics (vocals and drums), PA, and stage monitors.

We have no set lighting specifications other than lighting should be centered around the band and band members for the entirety of the band's set.

GREEN ROOM

The green room is requested to have the following items:

- Seating
- Lighting
- Power
- Water (Filtered or bottled)

STAGE PLOT

Got Questions?
 Text/Call: 612-800-1699

Drums/Monitor 4

Power x 2

Guitar 2 / Monitor 2 (Backup Vocals)

Power x 2

Guitar 1 / Monitor 1 (Lead Vocals)

Power x 2

Bass/Monitor 3 (Backup Vocals)

FRONT OF HOUSE

SOUND DETAILS

- Each Guitarist will require two power outlets/a powerstrip to power their amp and pedalboards.
- The lead vocals and lyrics are an important part of the music. It's imperative that the vocals can be heard clearly by the audience but not to overpower the rest of the band.
- Please add a small amount of reverb to the Lead Vocals.
- The lead guitarist and bassist tend to turn their amps up to 11. Please accommodate for this in the Monitor Mix and Front of House mix so that all instruments are heard balanced.
- Depending upon the venue, the drums should be mic'd where possible. It's important that the bass drum be heard in the mix clearly.

MONITOR MIXES

- Monitor 4 (Drum Mix) – Balanced mix: Kick, bass, Lead vocals, some of both guitars
- Monitor 3 (Bass Mix) – Balanced mix: Kick, snare, Lead vocals, some of both guitars
- Monitor 2 (Lead Guitar Mix) - Balanced mix: Kick, bass, snare, Lead vocals, some of both guitars
- Monitor 1 (Rhythm Guitar Mix) - Balanced mix: Kick, bass ,snare, Lead vocals, some of both guitars
